

# SAVE TODAY, USE TOMORROW!

## Thermal Energy Storage Systems

### Conference Venue

Stadthalle Wels,  
Pollheimerstrasse 1, A-4600  
Wels, Austria

### Date

28th February 2019  
afternoon session (3 hours)

### Organized by

project CREATE, HYBUILD,  
SCORES, TESSE2B, THERMOSS,  
SUNHORIZON

CREATE

Workshop is organized within the World Sustainable Energy Days, session “Innovation Workshops Energy and Buildings”

Six H2020 research and innovation projects are pleased to invite researchers, industrial companies, professionals and wide public interested in the topic of thermal energy storage for the common workshop called “**Save today, use tomorrow**”. Projects representatives will introduce their results and lead interactive discussions related to the topic. The event will be held in English.

Workshop registration is free of charge, but it is necessary to be registered on the WSED conference in order to participate in the workshop.

Workshop registration for free: <https://www.eventbrite.co.uk/e/save-today-use-tomorrow-thermal-energy-storage-systems-tickets-52040437349?aff=eac2>

Registration for **WSED**

# AGENDA

14:00 - 14:05	Event opening and welcome	<b>Gabriela Urbanova</b> , FENIX TNT, Czech Republic
<b>Projects introduction</b>		
14:05 – 14:15	<b>CREATE</b> - Compact retrofit advanced thermal energy storage	<b>Rebekka Koell</b> , AEE Austria
14:15 – 14:25	<b>HYBUILD</b> - Innovative compact hybrid storage systems for low energy buildings	<b>Luisa F. Cabeza</b> , Universitat de Lleida Spain
14:25 – 14:35	<b>SCORES</b> – Self consumption of renewable energy by hybrid storage systems	<b>Christophe Hoegaerts</b> , TNO Netherlands
14:35 – 14:45	<b>TESSE2B</b> - Thermal energy storage systems for energy efficient buildings	<b>Luis Coelho</b> , Instituto Politecnico de Setubal, Portugal
14:45 – 14:55	<b>THERMOSS</b> – Building and district thermal retrofit and management solution	<b>Federica Fuligni</b> , EXERGY, United Kingdom
14:55 – 15:05	<b>SUNHORIZON</b> - Sun coupled innovative Heat Pumps	<b>Alessandra Cuneo</b> , RINA Consulting, Italy
15:05 – 15:35	Coffee break	
<b>Interactive poster sessions</b>		
15:35 – 15:45	CREATE project	<b>Rebekka Koell</b> , AEE Austria
15:45 – 15:55	HYBUILD project	<b>Luisa F. Cabeza</b> , Universitat de Lleida, Spain
15:55 – 16:05	SCORES project	<b>Christophe Hoegaerts</b> , TNO Netherlands
16:05 – 16:15	TESSE2B project	<b>Aniol Esquerra Alsius</b> , ECOSERVEIS, Spain
16:15 – 16:25	THERMOSS project	<b>Federica Fuligni</b> , EXERGY, United Kingdom
16:25 – 16:35	SUNHORIZON project	<b>Alessandra Cuneo</b> , RINA Consulting, Italy
16:35 – 16:55	<b>Panel discussion with speakers</b>	
16:55 – 17:00	Event closure	<b>Gabriela Urbanova</b> , FENIX TNT, Czech Republic

The projects have received funding from the European Union's Horizon 2020 research and innovation programme.
